When wishes come true - Flottweg presents donations to Wünschewagen and TV Geisenhausen

At the beginning of 2022, Flottweg launched a fundraising campaign involving both employees and management. From this campaign, a total of € 10,000 have now been donated. Half of the amount was donated to the non-profit organization "Der Wünschewagen - The Make-A-Mobile-Wish" of the Arbeiter-Samariter-Bund (Bavaria)" and the other half to the Gymnastics Club (TV) Geisenhausen, Section for Disabled Cyclists. These two organizations were deliberately chosen so that the donated funds could benefit regional projects.

Donations awarded together

Board member Dr. Kersten Link, Head of Sales Klaus Ertl, Representative for Severely Disabled Employees Reinhold Ganghofner and Sina Surner, who was a member of the organizing team, handed over the donations to representatives of the two charitable organizations. Board spokesman Dr. Kersten Link is delighted about the willingness to donate that exists in the Flottweg family: "The fact that so many employees participated in the fundraising makes us proud because we are now we are working together to support two great organizations." Andreas Kotter, paramedic and driver of Wünschewagen Munich, is grateful for Flottweg's donation: "The Wünschewagen is funded purely by donations. We fulfill one last great wish for people nearing their final days. We rely on donations; we couldn't operate without them."
