Flottweg is one of the largest employers in the Landshut region with more than 1100 employees worldwide, 900 of which are based in Vilsbiburg. Numerous benefits such as special premiums, a company pension scheme and attractive further education and training opportunities make the family-owned company, which specializes in separation technology, a popular place to work. This is confirmed in particular by the long years of service with the company and the low staff turnover rate.
